**University of National and World Economy (hereinafter referred to as “Controller”, “the University” or “we”)** performs its activities in accordance with the Bulgarian Personal Data Protection Act and the EU Regulation 2016/679 of the European Parliament and the Council of 27 April 2016 on the protection of individuals in regard with the processing of personal data and on the free movement of such data. This document aims to inform you about all aspects of the collection and processing of your personal data by the University and the rights you have, in relation to that processing.

### **Legal grounds for collecting, processing and storing your personal data**

**Art. 1. (1)** The Student’s Council collects and processes your personal data in regard with organizing and conducting elections for the Student’s Council of the UNSS, performing the obligations of the Student’s Council on the representation of students and PhD students from the University, including through participation in the official bodies of the University, organizing events and campaigns, forming specialized student groups and communities, conducting studies, publishing information about the Student’s Council team on the website <http://sc.unwe.bg/> and making inquiries on the website of the Student’s Council on the grounds of Art. 6, para. 1 of Regulation (EU) 2016/679 (GDPR), and more specifically on the following grounds:

- For compliance with a legal obligation that applies to the Student’s Council as a Controller;
- Your explicit consent to the processing of certain categories of personal data;
- For the purposes of the legitimate interests of the Controller or a third party;

**(2)** The Student’s Council of the University performs its activities in compliance with the requirements of the regulations and the application of the Bulgarian Law on Higher Education, published in Official State Journal, issue No. 112 of December 1995 and with all subsequent additions and amendments to it, the Ordinance on State Requirements for Acquiring Higher Education by educational and qualification degrees, Resolutions of the Council of Ministers, as well as the internal Regulations of the University and decisions of the Academic Council. The Student’s council has adopted internal Regulations for its organization and activities in connection with Art. 72, para. 2 and para. 3 of the Law on Higher Education, which determines the conditions and procedure by which students and PhD students at UNSS elect their representatives in the Student’s Council, as well as the overall activity of the Student’s Council.

### **Objectives and principles for the collection, processing and storage of your personal data**

**Art. 2. (1)** The Student’s Council collects, processes and stores your personal data for the purposes of organizing and conducting elections for representatives of students and PhD students in the Student’s Council, including for the following purposes:

- registration of a candidate for participation in the Student's Council elections;
- preparation of election materials;
- announcement of election results;
- identification of the members of the Student's Council;
- individualization of students and PhD students who have exercised their right to vote for members of the Student's Council;
- organizing internal elections in the Student's Council;
- statistical purposes;
- for the purposes of the legitimate interests of the Controller or a third party;
- response to inquiries;
- publication of publicly available information about the Student's Council team on the Controller's website;
- publishing available information about candidates for Student's Council members on the Controller's website;

(2) The Student's Council collects, processes and stores personal data for students, PhD students and university professors for the purposes of performing its activities, including organizing events and campaigns, organizing specialized student groups and communities, conducting studies and surveys, and others.

**Art. 3. (1)** In the course of collecting, processing and storing your personal data, the Student's Council adheres to the following Principles:

- lawfulness, fairness and transparency;
- limitation of processing purposes;
- proportionality with the processing purposes and data minimization;
- accuracy and relevance of the data;
- storage limitation in accordance with purpose achievement;
- integrity and confidentiality of the processing and ensuring an adequate level of security of the personal data.

**Art. 4.** In course of processing and storage of personal data, the Student's Council can process and store personal data, including for the fulfillment of its obligations to state and municipal bodies.

### **What types of personal data does the Student's Council collect, processes and stores**

**Art. 5.** The Student's Council performs the following operations with the personal data provided by you for the following purposes:

- **Organizing and conducting elections** – the purpose of the operation is to exercise the right of students and PhD students to vote and to be elected for the governing bodies of the University of National and World Economy, including for the purposes of registering a candidate for participation in the Student's Council elections, preparation of election materials, identification of students and PhD students who have exercised

their right to vote for members of the Student's Council, announcement of election results, as well as conducting internal elections. In individual cases, the purpose of the operation may also be to protect the legitimate interests of the Student's Council.

Student's Council collects and processes your personal data in the capacity of Joint Controller.

[Conclusion of Data protection impact assessment of the operation:](#) Based on the above impact assessment, the personal data protection officer considers that the operation "Organizing and conducting elections" is acceptable for performance and provides sufficient guarantees for the protection of the rights and legal interests of data subjects in accordance with Regulation (EU) 2016/679 (GDPR).

- **Processing of inquiries made through the contact form on the website <http://sc.unwe.bg/>** – Student's Council processes your personal data as a Controller to identify the data subject as the inquirer and send a reply to the inquiry. Given the small volume of natural persons whose data is processed and given the limited volume of personal data that is collected, conducting an impact assessment is not necessary for the current operation.
- **Publishing information about candidates for members and the Student's Council team on the Controller's website** – the purpose of this operation is to publish accessible information for identifying and contacting the Student's Council team, as well as for candidates for Student's Council members. Given the small volume of natural persons whose data is processed and given the limited volume of personal data that is collected, conducting an impact assessment is not necessary for the current operation.
- **Administration of the activity of the Student's Council** - the purpose of the processing of personal data in this operation is to serve the process of administration of documents in regard with the implementation of the activity of the Student's Council. Given the small volume of natural persons whose data is processed and given the limited volume of personal data that is collected, conducting an impact assessment is not necessary for the current operation.
- **Organizing and conducting events** - the purpose of this operation is to organize and conduct events, forums and campaigns, independently or jointly with the University or other organizations aimed at the development of the student society.  
[Conclusion of Data protection impact assessment of the operation:](#) Based on the above impact assessment, the personal data protection officer considers that the operation "Organizing and conducting other events" is acceptable for performance and provides sufficient guarantees for the protection of the rights and legal interests of data subjects in accordance with Regulation (EU) 2016/679 (GDPR).
